INTRO

I am a recent engineering graduate with considerable technical experience. My passion is **bridging the gap between the world of non-technical clients and the power of technology**. I enjoy providing clients with tools and solutions to make their work easier. My technical background and experience **working directly with clients** make me a strong candidate for the technical sales position.

EDUCATION

Master of Science in Electrical Engineering   *Sept. 2018 - Apr. 2021*
Carleton University, Ottawa, Ontario
Dr. Walter and Mary Chudobiak Entrepreneurial Scholarship
Ontario Graduate Scholarship for excellence in graduate studies

Bachelor of Engineering in Electrical Engineering, Co-op   *Sept. 2013 - Apr. 2018*
